

PROMOTION – Price list

A standard Reiki treatment goes around 1 hour and a half including initial consultation. And it is the perfect beginning, to start seeing your body reaction to the Reiki vibrations and activate your metabolism and body healing skills.

We also can focus in your Chakra Balance and boost their power with Crystals.

Or put our attention in a Reiki treatment to create the best body energy environment for Reiki heal Physical injuries. There is a reason for that pain and Reiki show wonderful results after just a session.

However, the most common reason for a patient to search for Reiki is stress, anxiety, depression. Unfortunately modern society brings all this mental and emotional illness. But I have good news! Reiki has been prove huge benefits in the treatment of anxiety, depression or trauma.

The effects of Reiki are cumulative in which regular Reiki treatments can invite significant improvement. It is recommended a minimum of 4 treatments.

Reiki will give us the tools to be strong and confident again. And I will stay with you through all the process giving you all the support needed.

Please, find below our list of prices in **PROMOTION**.
